Confronting Bias Bystander Training

presented by

Michelle Ortiz, PhD

Director, Diversity Equity and Inclusion
College of Medicine – Tucson
University of Arizona

diversity.medicine.arizona.edu/home

OUTCOME OBJECTIVES:

- 1) To understand the and assess unconscious bias
- 2) To become familiar with the science on unconscious bias
- 3) To discuss unconscious bias resources

ABSTRACT:

Dr. Michelle Ortiz is Director for the Office of Diversity, Equity and Inclusion at The University of Arizona College of Medicine – Tucson. She received her PhD in Communication from The University of Arizona. Her research focuses on intergroup communication, and on the role of mediated messages in intergroup relations. In her current role, she develops and oversees trainings aimed at reducing the influence of unconscious biases and promoting an inclusive climate.
