Research team members by MRI scanner (left to right): Scott Squire, Maria Altbach, PhD, and doctoral student Lavanya Umapathy. (Photo: Jane Pruitt/University of Arizona Department of Medical Imaging)
CONGRATULATIONS

Dr. Luca Caucci Elected Senior Member of the National Academy of Inventors

“Becoming a Senior Member of the National Academy of Inventors represents a huge achievement for me, both academically and personally,” he said. “This would not have been possible without the help I received from my co-inventors and the support from the University of Arizona.”
